APPRAISAL REPORT: 1932 Ford Deluxe Roadster Street Rod

To Whom It May Concern:

In compliance with your request, we have appraised the above referenced vehicle.

We have enclosed the limited appraisal report that constitutes our analysis and conclusion of the research completed on this vehicle.

The Fair Market Value of this vehicle, as of the date specified herein was; **\$45,800.00**

Thank you very much for your business, and if you should have any further questions, please do not hesitate to call.

Very truly yours,

Amy Light

Appraiser, Auto Appraisal Network, Sacramento

PURPOSE AND SCOPE OF REPORT:

PURPOSE

The purpose of this document is to report to the customer the appraiser's opinion of the overall condition of the subject vehicle.

MINIMUM DIMINISHED VALUE

The Minimum Diminished Value of the vehicle is described as the minimum amount of money that an automobile is estimated to have depreciated in value, due to a particular accident, mishap, event or circumstance and is based on wholesale market pricing and the standard sliding scale established by the International Society of Automotive Appraisers or a fair market offer to purchase after the date of loss.

FAIR MARKET VALUE

The Fair Market Value of the vehicle is the highest price on the date of valuation that would be agreed to by a seller, being willing to sell, and a buyer, being willing to buy, and under no particular necessity for so doing, each dealing with the others full knowledge of all the uses and purposes for which the property is reasonable, adaptable and available.

REPLACEMENT VALUE

The replacement value of a vehicle is defined as the actual total cost of exactly duplicating the vehicle if it were subject to a total loss. In the case of a customized or modified vehicle this must also include the cost of obtaining an identical type of 'donor' or 'base' vehicle, the cost of obtaining all of the additional aftermarket and specialty components along with all labor costs incurred to replicate the loss vehicle.

FAIR MARKET VALUE PRIOR TO LOSS

The Fair Market Value of the vehicle Prior To Loss is the highest price on that prior noted date of valuation that would have been agreed to by a seller, being willing to sell, and a buyer, being willing to buy, and under no particular necessity for so doing, each dealing with the others full knowledge of all the uses and purposes for which the property is reasonable, adaptable and available immediately prior to the known loss date of that vehicle.

METHOD OF VALUATION

The value is estimated by current market data comparison, supplemented by cost information. The vehicle is compared when possible, with others for sale and that have sold in the general time period. Adjustments are made for differences in equipment, mileage, cosmetics, conversions, originality, condition as well as sale terms and current economic conditions at time of sale.

ASSUMPTIONS AND LIMITING CONDITIONS

This report has been prepared and issued only to the person named on the cover, and no other persons should rely on this report.

Information including, vehicle identification numbers, serial numbers, engine numbers, engine size, component serial numbers, color codes, paint codes, trim codes, component stampings, door tags, fender tags, cowl tags, date codes, badges, emblems, owner history and mileage information provided by the owners or parties to sell or others, or displayed on the appraised vehicle or components are assumed to be reliable, correct and truthful, as accuracy is not checked or guaranteed for originality or authenticity.

Although Auto Appraisal Network has an extensive library, we do not have direct access to specific manufacturer's records, log books, files, computer data bases or other non published information.

Auto Appraisal Network limits our damages to no more than the cost of this appraisal.

ADDITIONAL COMMENTS

MECHANICAL:

It is at the appraiser and vehicle owner's discretion to test drive the subject vehicle. Test driving the vehicle does not constitute a guarantee of the current or future operational status or functionality of any mechanical, hydraulic, electrical or computer systems featured on the subject vehicle. Auto Appraisal Networks recommends that our customers contact an ASE Certified mechanic to perform such tests as needed. The types of problems encountered in older, classic and customized vehicles can be easily masked or hidden.

NOTES:

On the date appraised, the 1932 Ford Deluxe described herein represented an excellent example of a modern Street Rod Roadster conversion.

While retaining the basic external looks and characteristics of this 88 year old classic, this '32 Roadster now features virtually all the options and creature comforts that you might expect to find in a modern high performance automobile.

Features such as a high performance fuel injected 5.7 liter V-8 motor, 4-speed automatic transmission, power 4-wheel disc brakes, power steering, air conditioning, a luxury upholstered interior, power windows, as well as a sophisticated state of the art multi speaker CD stereo system are features unique to this custom Street Rod.

As noted on the extensive Vehicle Option pages, and as depicted on the many enclosed digital photographs, this custom Street Rod was fabricated using the finest components available.

The caliber of all work performed on this vehicle is of the absolute highest quality, the entire vehicle is both highly detailed as well as being extremely well finished.

The fair market value of this 1932 Ford Deluxe is based on the average asking price of similar vehicles available in the market place. Allowances have been made for the noted options and customizations. The fair market value does not include tax, title or registration fees.

1932 Ford Model B Roadster

Price: \$45,500

[Full Version](#)

Body Style: Roadster Mileage: 3400 Condition: Excellent Interior: Red & White Leather Exterior: Black

Location: Beachwood, Ohio, United States

Description:

If you're looking for an attention-grabbing street rod that will get the looks this summer, look no further than this stunning custom-built 1932 Ford Roadster.

Finished in Black Mirror Gloss Base coat/clear coat, this gorgeous Roadster was custom built for the current owners by QE Coach & Chassis. Its laser straight finish has a beautiful luster that is further enhanced by its chrome and brightwork that is also in excellent condition. Custom hand-painted Red and White pinstriping provides additional distinction, as do its Red powder coated Gennie wheels wrapped with Coker whitewall radial tires. Baby moon hubcaps complete the package. In addition to top-down motoring, you'll also appreciate the option of closed cabin touring afforded by its removable Black Hartz cloth hardtop.

The interior of this street rod is just as stunning as the exterior, featuring a top quality Red and White leather bench seat and black wool carpeting. In addition to its fully outfitted trunk, the bench seat lifts up to reveal additional storage space. Other comfort and convenience features include an Ididit tilt steering column, banjo leather-wrapped steering wheel, power windows and doors, 'Lectra-Lift trunk lid, AM-FM stereo with CD

player, and Vintage Air. In addition, a full complement of VDO gauges will keep you informed about what's going on under the hood.

Powered by a GMZZ4 350 CID engine mated to a TCI Streetfighter TH350 automatic transmission, this beauty generates an impressive 355 horsepower. Fuel is supplied by an Edelbrock 750 CFM carburetor. Other mechanical specs include the following:

- Powder coated Curbside frame rails
- Balls "All Weather" roadster full fender body
- Steel running boards & hood
- Electric fan
- Ceramic coated headers
- Dual exhaust
- Heidts Superride front suspension with coilovers
- Coilover rear suspension
- 9" Ford rear end with 3.5 axle ratio
- Front & rear disc brakes

Having just 3,400 miles since built, this Roadster runs and drives as well as it looks.

One item of note is that the air conditioning is not currently working.

If an absolutely gorgeous street rod that is ready to go is what you desire, this 1932 Ford Roadster is the car for you!

1931 Ford Model A Roadster

Price: \$44,995

[Full Version](#)

Body Style: Roadster Stock No.: 2276-TPA Mileage: 5341 Interior: Tobacco Exterior: Dark Red Metallic

Location: Lutz, Florida, United States

Description:

This 1931 Ford Model A Roadster is a rumble seat hot rod with slick paint and V8 power. So you know you're going to love it even before you find out that this street machine is an all-steel build.

The dark red metallic provides a super-slick shine that highlights the curves of the body and immediately commands attention. And let's face it, if you want a cool hot rod like this, then you want a bold attention-grabbing paintjob. Fit and finish are great on this steel-bodied car. The doors shut solid, the hood lines up nicely, and the trunk closes flush. That's why the glossy paint allows the light to dance almost seamlessly across the iconic lines. This really is a detail-oriented build. You see it everywhere from the red trim on the black folding roof, to the smart-looking steps to get into the rumble seat. There's a ton of great brightwork on the bumpers, handles, radiator, mirrors, windshield frame, and flying goose mascot leading the way. And while the engine is on display for the world to view, you can easily see this one is built for performance with the bright 15-inch Centerline alloys with extra meaty ones in the rear.

The tobacco brown interior is a nice touch, because it has a classic look and a timeless color combo against the red exterior. Plus, the dash and steering column have been painted the same as the exterior red to really connect the color theme. More than just look nice, you have the right driver features, like the Grant wood/chrome steering wheel, Lokar floor shifter for the three-speed automatic, and a dash full of crisp Classic Instruments

gauges. And, of course, we know you love the rumble seat. It's finished in the same vinyl and pattern as the front seat, so it's great to show off even when there's no one in the back.

The 350 cubic-inch Chevy V8 is the choice for the best hot rods because it has the most parts available to upgrade for show and go. So while people can admire the shining components and tidy setup, you also know there is a whole lot of performance beyond its style. This one has been enhanced with an Edelbrock four-barrel carburetor, Edelbrock intake, and headers that feed the very straight dual exhaust pipes. And while you're checking those out in the undercarriage photos, don't forget to also spot nice driving features, like front disc brakes, rear adjustable coilovers, and four-link suspension front & rear.

The sale comes complete with side panels for the engine bay. This is the roadster that's traditional in all the ways that matter to you, and fully finished in a way that makes people sit up and take notice. If you're ready to have all eyes on you, call today!

SUMMATION OF VALUE

Past market performance is not an indication of future performance, markets can, and do, change all the time. Our opinion of the Fair Market, Replacement, Prior to Loss or Loss of Use Value is based on a combination of any of the following:

- The overall cosmetic and mechanical condition of the vehicle.
- The demand and available supply of comparable vehicles when available.
- The adjusted value of somewhat similar vehicles advertised or recently sold.
- Dollar amounts indicated by the published value guides.
- Dollar amounts indicated by on-line value guides.
- The expertise of the appraiser.
- The expertise of other appraiser within our national network that might have been consulted for this assignment.
- The expertise of other appraisers that are fellow members of various credible automobile appraisal associations.
- The expertise of a recognized expert of the particular type of vehicle appraised that might have been consulted for this assignment
- Auto Appraisal Networks extensive database of previous completed reports of similar vehicles.
- Opinions of others who have handled similar models in the past, and market similar vehicles currently.
- Physical auction results listing actual vehicles sold or the highest dollar amount bid against sellers reserve.
- On-line auction results, such as Ebay, listing actual vehicles sold or the highest dollar amount bid against sellers reserve.
- Extensive on-line research of that particular type of vehicle.
- The consideration of receipts provided, as well as other expenses incurred for the subject vehicle.

ADDITIONAL NOTES REGARDING THE SUMMATION OF VALUE

Mechanically, the appraised vehicle, as noted under 'Additional Notes', is assumed to perform with no operational malfunctions and or driving problems unless such problems were disclosed by the owner/seller. No dollar amount was debited from the Fair Market or Replacement Value in order to compensate for the repair of such mechanical defects.

Additionally contained in this report may be comparable vehicles available and for sale in the market place. Asking prices and actual sales prices will fluctuate depending upon the overall cosmetic appearance and condition, originality, the mechanical history and performance, recorded mileage, configuration of power-train, custom conversions, options and accessories. This report, when possible will adjust to compensate for those differences.

The subject vehicle, at the time of this report, represented a Excellent example of a;
1932 Ford Deluxe Roadster Street Rod

With consideration for all the information and dollar amounts determined as relevant to this report, Auto Appraisal Network has determined a Fair Market of this vehicle, as of the date specified herein was;

FORTY FIVE THOUSAND EIGHT HUNDRED DOLLARS

\$45,800.00

The fair market value is the opinion of Auto Appraisal Network and is arrived after careful study of information observed or supplied to us that we assume to be both accurate and reliable. As described under both the prior written 'Assumptions and Other Limiting Conditions' and the 'Appraisal Provisions and Stipulations', we assume no responsibility for inaccuracies or errors.
